COMPANY INTRO.

GUANGZHOU STEKI AMUSEMENT EQUIPMENT CO., LTD

"HONEST, WIN-WIN".
"FIRST-CLASS DESIGN, FIRST-CLASS QUALITY, FIRST-CLASS SERVICE".
"MAKE PEOPLE SMILE IN THE VR WORLD".

Our company was established in Guangzhou in 2014, which is the Hi-Tech enterprise that focusing on VR games products only, include the R&D, production, sales and technical services! And we have the beautiful brand name "OWATCH"!

Welcome to OWATCH and expect to search the business opportunities to be partners and share the market of Virtual Reality Equipment!

Professional VR Production Line

Right now, our products include VR chair, 9D Virtual Reality Simulator, VR space, VR space PLUS, VR machine gun, VR walker...and keep developing new innovations. We always believe that, quality and service is the most important competitiveness, therefore, we OWATCH only manufacture the first-class products and provide the excellent service!

Strict Inspection

We have CE, SGS, RoHS and B1 safety certificate for our products. Also, we have patent for our Owatch brand, appearance design and our VR control system. Right now, we have more than 19 patent certificates for all our range of products and our production capacity can reach 110pcs monthly which all meet the standard of our Owatch.

A+ Quality & Service

Owatch Super Service 12 Month Warranty!
And right because of the top quality and A+ super service, we had already sold to many countries, such as USA (our main market), Germany, France, Poland, Hungary, Serbia, Turkey, Venezuela, Chile, Russia, Spain, Serbia, Croatia, Australia, Jordan, Israel, Saudi Arabic, UAE, Australia, Korea, India, Thailand...and gain a very good reputation.

WHY WORK WITH US ?

We see ourselves as a thought leader and pioneer for innovative actions in our industry. We will strive to create the most influential international brand in the market and to build up the world-class VR equipment manufacturing enterprise

OUR COMPANY IS YOUNG, BUT WE BORN WITH VR

Our Company was founded in 2014. One of Our founder: Steve Song, is also our General technical engineer, have 8 Years of working on the Professional VR Technology, Unlike some other companies, they may have more history at the common arcade machine, gambling machine, or others!

AFTER-SALE MANAGER IS ONE OF OUR FOUNDER

Andy Zhang, One of our company founder, also our After-Sale Manager. We attach great importance to customer satisfaction and provides a strong and efficient after-sales service to solve your worries, help you better operate your VR project and achieve a win-win business!

ATTRACTIVE DESIGN

Where am I, That's the scenery,The attractive shape and design is the most important key to make your VR business successful

12 MONTH WARRANTY

Promise, fast, all free,Service is the key to our survival, it is more for our development.

MOST VALUABLE PRODUCT

We set standards in technology, quality, service, price and design that are oriented towards optimum customer benefit and customer requirements, We're not the cheapest in our industry but definitely MOST VALUABLE

SPARE PARTS FROM CHINA LEADING SUPPLIER

The air compressor adopts a hundred-year-old Inger-soll-Rand air compressor of the United States. It is known worldwide for its "zero faults", Use Hollysys Group's Syntron Stepper Motor + Syntron 3 in 1 Motor Driver and Zhongshang KT Electric Cylinder

CUSTOMER ORIENTATION

We maintain an open, cooperative dialogue with our customers. At the same time, we never lose sight of our aim to offer our customers the greatest benefits. The measuring gauge for our customer satisfaction is, among other things, the complaint rate. We are not satisfied with the present extremely low rate, and instead, set ourselves the objective of a constant rate of 0.0%.

SELF-DEVELOPMENT

The Independently developed software and control system ensures the compatibility of the equipment more effectively and renewability, good for maintenance.

TRADE ASSURANCE BY ALIBABA GROUP

As we're the Verified Gold Supplier of Alibaba.com, you can get Alibaba.com's free order protection service if you buy online: Payment protection / Product-quality protection / Shipping protection / 30days Protection period Contact us freely with the details!

6 PCS VR 360 GAMES & MOVIES

OWATCH EXCLUSIVE DEVELOPMENT GAME, REAL INTERACTION, IN REAL TIME.

All the experiences in VR WOW are well-crafted, premium Virtual Reality adventures. Players can choose their favorite game to experience. The game provides a real 360-degree perspective, which is exciting and immerses the player in the game.

Dragon Treasure
In order to find the treasure, you will enter the terrifying dinosaur world, waiting for you is an unprecedented dinosaur war!

City Tour
Through the roller coaster style of travel, you will experience a happy, magical and happy urban journey.

Dungeon Adventure
You will enter a dark and terrifying underground cell and start a frightening adventure. Are you ready?

Dead Forest
The heat of human and animal deaths, rivers dry up, land becomes barren, and forests are scorched and burned.

Cartoon City
This is what the cartoon city will look like in the future. It is colorful and cute. Do you like it?

Desert City
This city in the Arabian Peninsula has camels, deserts, and of course there are people full of curiosity and various bizarre buildings that challenge people's aesthetic limits.

HAPPY PITCH

How to Play:
Choose the game, will get scores when the targets are hitted. The system will increase the difficulty with time, and the bomb effect will appear.

TECHNICAL DATA

Product name	Happy Pitch
VR Games/Movies	39pcs
Product Area	150inch (2.3X3m) or 120inch (1.8X2.4m)
List of goods	1X Panasonic projector 1X projection screen (120inch or 150inch) 1X laser sensor and infrared camera 1X server 1X game software 1X audio equipment (not including balls and fences)

PROJECTED BEACH

How to Play:

Summer Beach: Players use plates to fish and put the fish in the pools at coners. Can make competition between 2 teams and see which one get higher scores.

Magic Farm: Players use plates to water the vegetable, which will blossom and fruit after a period of time

Volcano mining: Players use plates to move ores to the tramcar, whoever gets more ores wins

Diversing vegetables: The player picks up vegetables in the desert with a plate and puts them into the appropriate category. Whoever collects the most correct dishes wins.

| TECHNICAL DATA	
Product name	Projected Beach
VR Games/Movies	4pcs
Product Area	200 X 300cm
List of goods	1X Epson projector 1X laser sensor and infrared camera 1X server 1X game software 1X audio equipment / 4X plates (not including sand. Sand should be yellow color, no reflection, no impurities)

AR SAND TABLE

How to Play:

With the height of sand pile, magic sand table can gradually show the terrain effects of ocean, continental shelf, coast, land, hills, mountains and snow mountains. According to the height of the sand flow, the sand can be piled up and down according to the height of the sand. As long as you wave your hand gently, flowers and trees will be all over the mountain. Waving your hand above the mountain top can also "detonate the volcano". Let many children explore and experience in the sand.
