CHINESE LEADING VIRTUAL REALITY GAME SIMULATORS MANUFACTURER

ABOUT OWATCH

We GuangZhou Steki Amusement Equipment Co., Ltd was established in Guangzhou, China in 2014, which is the leading manufacturer & supplier for VR simulators, Racing Simulators & 5D Cinema with the trademark "Owatch".

Welcome to OWATCH and expect to search the business opportunities to be partners and share the market of Virtual Reality Equipment!

Professional VR Production Line

We focus on VR Simulator Games products, such as: 9D Virtual Reality Simulator Cinema, VR Roller Coaster, VR/AR Racing simulators, VR Motorcycle, VR Shooting, VR Flight Simulators, VR Music Platform, VR Self-service Platform, Arcade Games, Racing Cockpit, 5D/7D Motion Cinema, ect... Various types of VR game consoles provide free virtual reality movies and games on a large scale, bringing an immersive "outdoor" virtual reality experience indoor.

Strict Inspection

We have CE, SGS, RoHS and B1 safety certificate for our products. Also, we have patent for our Owatch brand, appearance design and our VR control system. Right now, we have more than 19 patent certificates for all our range of products and our production capacity can reach 110pcs monthly which all meet the standard of our Owatch.

A+ Quality & Service

Owatch Super Service 24 Months Warranty!
Right because of the professional & reliable quality and A+ super service, allowing us to have the excellent sales in oversea market and gain a good reputation worldwide in 95+ countries, such as USA, UK, UAE, India, France, Germany, Spain, Norway, Netherlands, Serbia, Australia, Saudi Arabic, Malaysia, South Africa, etc...

INDUSTRY-LEADING SALES SERVICE + WARRANTY

Upgrade from one-year warranty to two-year warranty, this is our greatest confidence in quality. Each Owatch product comes with a service warranty that guarantees our users excellent service and peace of mind.

WHY YOU CHOSE OWATCH?

WARRANTY

Two-Year Warranty

Owatch™ provide 24 months warranty from the date of delivery agreed

Free Shipping for All Repairs

During the warranty period, both spare parts and parcel freight to customer is free

Software Support For Whole Life

We have a professional team tracking and provide software support for whole life

Replaceable Parts Sent by DHL

During the warranty period, if parts are damaged and need to be repaired (artificial damages & easy-broken part are not included), customer no need to send back first and wait after repairing, instead, we will send the replaceable part to customer by DHL or other fast parcels

SERVICE

7X24 After-Sales Service

Owatch™ provide efficient 7X24 hours After-Sales Service

Troubleshoot Online

When problem happen, our service team will guide clients to troubleshoot & confirm the problem by Wechat or by WhatsApp together

Remote To Fix

When problem happens, if that's software issue, we will remote to fix it

Service Parts Sent by DHL

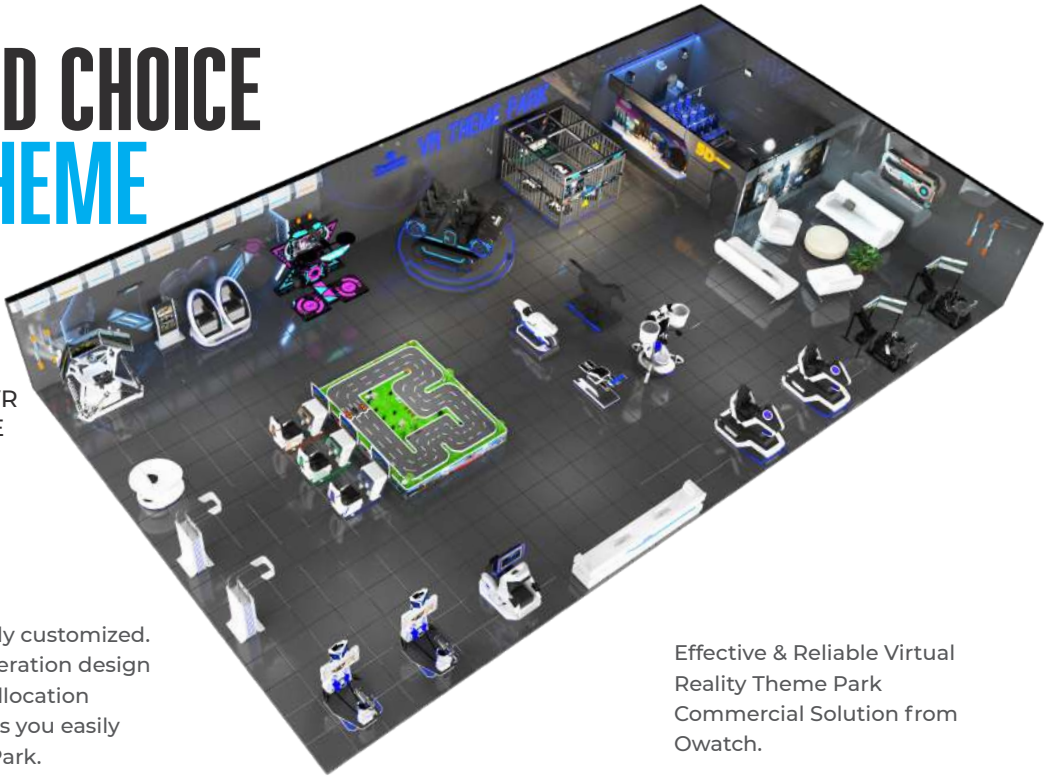

If it's spare parts problem, we will send new parts to client by DHL for replacement and it is all free during the warranty period

* The company reserve the right of final explanation for after-sales and warranty policy.
